Statement from Nominee (200 words max) - to include ideas & proposed actions for the next 2 years at the Dome

I have been playing at the Dome for nearly 20 years and for last 6 years have been managing our social club in all aspects. I truly believe that Badminton at the Dome NEEDS to be all inclusive, open and accessible (both physically and financially) for all the community and badminton players. I would like to help the Dome in any way that I can as I have been doing for quite some time and to see it go from strength to strength and help bring in new players from all walks of life as well as children so the Dome flourishes and continues way into long term.

Relevant Personal & Business Background

I have worked in the energy industry for multi-nationals (state and private US, Japanese & Chinese companies) in Upstream (finding and digging for Oil & Gas offshore and onshore) and Downstream (Refining, Marketing & Trading) for the last 39 years in IT, Strategic Planning, Operations and Logistics & Trading. I completed a part-time, evening MBA (Distinction) over 3 years and have led multi-disciplinary teams as well being Project Manager on a number of IT projects (merging the Gulf Oil and Chevron/Texaco IT systems) as well as merging the Operations and Shipping Maritime businesses of INEOS Refining and PetroChina into the Joint Venture. I have worked with Senior Leadership teams and am culturally sensitive since dealing with colleagues and counterparties across North & South America, West Africa, Europe/FSU, Middle East and Far East. The last two years I have re-trained in Renewable Energy focussing on Solar PV/Battery Storage.

Relevant Dome Background

As well as playing at the Dome for many years, I handled the project to refurbish the toilets/reception area in a tight time-frame during the Badminton off-season. I was acting chair when the HBA Chair became ill and helped with the many issues dealing with Information Commissioner's Office (alleged GDPR breach) and legal entities (such as solicitors, barristers regarding HBA Ltd). I became familiar with many members and clubs during this time.
